# **Erfenisskepping en navorsing: Die herstrukturering van Historiese Studies in Suider Afrika**

**24-26 Junie 2002**

Gasheer: Die Departement Historiese Studies aan die Randse Afrikaanse Universiteit, namens die Suid-Afrikaanse Historiese Genootskap

Historiese navorsing word oor 'n baie breë front onderneem in geheel Suider Afrika. Die oproep om die herontdekking van die historiese rykdom van Afrika het reeds aanleiding gegee tot nuwe navorsing oor mondelinge oorlewering, erfenis en gemeenskapsgeskiedenis oor 'n breë front van gemeenskappe, kulture en sosiale formasies. 'n Konferensie van praktisyns oor die hele spektrum van wetenskaplike navorsing oor bogenoemde bied die geleentheid om sintese in metodologie, verhaling en vertelling, verklaring en herstrukturering te bewerkstellig. Die Departement Historiese Studies wil met hierdie konferensie debat, navorsing en interaksie tussen alle praktisyns in historiese en erfenisnavorsing bevorder.

Hierdie is 'n oproep om voorstelle vir referate oor temas wat aansluit by die konferensietema:
