Fanie Cloete, 'Resolving PW Botha's 1985 Rubicon Riddle', *Historia*, 64, 2 (November) 2019, pp 132-155, <http://dx.doi.org/10.17159/2309-8392/2019/v64n2a6>

In the above article the following corrections are to be noted:

The first sentence on page 135 paragraph 2 should read:

During July 1985, P.W. Botha instructed his Minister of Constitutional Development and Planning and chair of the Special Cabinet Committee on Constitutional Development (SCC) Issues, Chris Heunis, to prepare proposals for the Sterrewag meeting.

On p. 150, the second last sentence of paragraph 2 should read:

However, in a later interview with Heunis's son, Jan, Heunis mentions that he did indeed respond to the president after he read the speech to them.
