

THE JOHAN BERGH *HISTORIA* AWARD

The Historical Association of South Africa (HASA) invites Heads of Department to nominate their top third-year student for the Johan Bergh *Historia* Award.

This award is in recognition of Prof. Johan Bergh, who was president of HASA for over two decades, and is in line with his on-going commitment to promote History at postgraduate level.

The winners will receive a year's subscription to *Historia* and their names will be announced in the first issue of *Historia* in the subsequent year.

All departments of History at universities in South Africa offering postgraduate studies in History are eligible to participate.

The selection of the winner is an internal decision by the respective department chairs and their colleagues.

The names of the winners must be sent to the Secretariat of *Historia* by 1 December of each year.

The HASA executive board looks forward to showcasing our top History achievers in their third year of study, and trusts that this achievement will encourage them to pursue their study of History at postgraduate level.

DIE JOHAN BERGH *HISTORIA* TOEKENNING

Die Historiese Genootskap van Suid-Afrika (HGSA) nooi departementshoofde uit om hul top derdejaarsstudent te benoem vir die Johan Bergh *Historia* toekenning. Hierdie toekenning is ter ere aan Prof. Johan Bergh, wat vir meer as twee dekades as die voorsitter van die HGSA gedien het, en is in ooreenstemming met sy deurlopende toewyding om Geskiedenis op nagraadse vlak te bevorder. Die wenners sal 'n jaar se intekening op *Historia* wen en hulle name sal in die eerste uitgawe van *Historia* in die daaropvolgende jaar gepubliseer word.

Geskiedenisdepartemente aan Suid-Afrikaanse universiteite wat Geskiedenis op nagraadse vlak aanbied, mag deelneem. Die aanwys van 'n wenner is 'n interne aangeleentheid wat deur die betrokke departementshoofde en hulle kollegas behartig moet word.

Die name van die wenners moet gestuur word aan *Historia* se sekretariaat voor 1 Desember van enige gegewe jaar.

Die bestuur van die HGSA sien daarna uit om ons toppresterders in Geskiedenis in hulle derde jaar van studie te vier, en hoop hierdie toekenning sal hulle aanmoedig om hulle studies in Geskiedenis op nagraadse vlak voort te sit.
