The goal of the book *Perspectives on Student Affairs in South Africa* is to generate interest in student affairs in South Africa. The chapters contained herein are based on best practice, local experience and well-researched international and local theories. The chapters deal with matters pertaining to international and national trends in student affairs: academic development, access and retention, counselling, and material support for students coming from disadvantaged backgrounds. They are linked to national and international developments, as described in the first two chapters.
