

## **TETFLE Authorship Declaration Form**

- All persons who have made significant contribution to the manuscript have been stated as authors. Manuscripts derived from a research dissertation or thesis usually state the student as the principal author.
- All persons stated as authors of this manuscript are fully aware of it and have agreed to be included.
- No person who meets the authorship criteria has been omitted.

## **Acknowledgements**

- All parties such as language editors, translators, or a Head of Department who contributed to this manuscript but did not meet the authorship criteria are stated in the Acknowledgements with their consent.
- All persons stated in the Acknowledgements are not responsible for the final version of this manuscript.
- Copyright owners of previously published illustrations, figures or tables used in this manuscript have consented to their use.

## **Funding**

*TETFLE* requires all authors to acknowledge their funding.

- All sources of funding for the research reported in this manuscript are mentioned.
- This research received no funding.
